

RV & YACHT OWNERS...
At Last!

***A New Breakthrough In
Your RV, Boat & Yacht
Onboard Water Systems.***

✓ Kills Bacteria

Ozonated water kills E-coli, Salmonella, Listeria, Botulism, Hepatitis-A, HIV, Anthrax as well as hundreds of other bacteria and viruses.

✓ Purifies Water

Only **ECO GUARD** mixes Ozone, Nature's way of cleaning, with the purest water to be found. This pure, delicious water with Ozone kills bacteria instantly, 3,000 times better and faster than Chlorine, yet is totally safe to drink.

You can travel to every corner of the country and the World and hope the filtered water in your tanks is safe. But with the NEW **ECO GUARD** better than bottled-water quality, you can go to any Third-World Country and turn local tap water into the safest possible drinking water. **ECO GUARD** also allows you to kill deadly bacteria on fresh foods from the market. With **ECO GUARD**, you now have the disinfecting power of **Ozone** to protect your family. **ECO GUARD** is the best protection against food pathogens you can buy...**Reverse Osmosis and Ozone Protection!**

Your Family deserves nothing but the best when it comes to water for drinking and food preparation. **ECO GUARD** will protect your loved ones with the same **Ozone** used by bottled water companies.

It is estimated that thirty million people a year become ill from drinking contaminated water...not with **ECO GUARD**.

There are thousands of chemicals consumed in what we eat and drink. Over seven hundred chemicals are found in our city water along with many other contaminants in the environment...not with **ECO GUARD**.

If you buy drinking water you are virtually spending thousands of dollars a year without having the benefits of truly pure water...not with **ECO GUARD**.

ECO GUARD...The World's Best Water Purification System

NO MATTER WHERE YOU TRAVEL, YOUR WATER WILL BE SAFE.

You can use water from anywhere in the World, even Third-World Countries, and turn it into the purest and safest washing and drinking water.

**Why waste money buying bottled water?
Why waste money letting your food spoil?**

The **ECO GUARD** water system with Ozone gives you everything you need to travel safely. It keeps you safe when you drink water, take a shower, and brush your teeth.

OZONE Reduces your spoliage & increases the freshness of food. The **ECO GUARD** system with Ozone will instantly kill all food-borne pathogens, bacteria, Listeria, Salmonella, and Hepatitis on contact.

EXTRAORDINARY BENEFITS OF OZONE :

- **OZONE** kills all bacteria in your water holding tanks, making your onboard water the safest it can be 24/7.
- **OZONE** has full FDA and USDA-approval for direct-food contact applications.
- **OZONE** extends the food life from 4 to 25 days.
- **OZONE** kills bacteria 3,100 times faster than chlorine while killing all odors.
- **OZONE** is the most powerful broad-spectrum microbiological control agent. Ozone kills bacteria and viruses on contact.
- **OZONE** kills the most common Food Pathogens: E-coli, Listeria, Salmonella, and Hepatitis-A.
- **OZONE** eliminates virtually all toxic chemical usage and produces no toxic by-products.

USDA/FBIS—USDA/National Organic Program (NOP) Ozone is listed in the NOP Final Rule (Subsection 205.605 (b) (20) p. 437 – Nonagricultural (non-organic) substances allowed as ingredients in or on processed products labeled as "organic" or "made with organic (specified ingredients or food group(s))." (b) Synthetics allowed: (20) Ozone. The use of Ozone on raw and ready-to-eat meat and poultry products just prior to packaging is acceptable. There are no special labeling requirements in regard to treated product.
